ON THE MARK

Rezidor Group area vice president Middle East & Turkey **MARK WILLIS** powers ahead with a strong Saudi pipeline while assessing opportunities for Radisson Red and Quorvus in the region

NEW LAUNCHES

Debuting in the Middle East, these stylish new products offer something different for hotels and restaurants

IMAGILIGHTS

➔ Perfect for keeping drinks cool in the warm summer months, ImagiLights Might-e chiller comes with 24 pre-programmed colours, available as constant vibrant lights or in an interchangeable colour sequence. With a remote control to

change the colours and enhance the mood, this is a great party piece, lighting up any outdoor or indoor space, as well as keeping drinks ice cold.
